Political Supporters Opt-in Email Database

One of the most comprehensive targeting tools to reach supporters of political parties & their causes.

10 Million Active Responders (with matching postal addresses)

Our Industry-leading Political Supporters Database is a compiled database of consumers who support specific political parties and those who have made donations to those parties.

This file is updated monthly.

It is sourced from our vast network of permission-based websites and is updated monthly. We get your message to the right audience! Targeted campaigns are the key to successful online results. Our lists are enhanced with all the key demographics and lifestyle selects to get your offer to the most responsive consumers.
